

## CHARITABLE ACTIVITIES REPORT BY AL-HAMID CHARITABLE FOUNDATION DURING MONTH OF JULY 2021.

### ACTIVITIES REPORT

Foundation was registered as section 08 non-profit company in the month of July 2021 only. The foundation started its activities immediately after inception though at a slow pace. During month of July around four lakh rupees were received as donation from different donors, out of which only one lakh rupees could be utilized for charitable activities in ADDITION to some minor miscellaneous activities. Following activities were done.

1. Tri-lingual website in English, Urdu and Hindi languages was made live for benefit of target group, our donors, viewers, and for general public. In addition website ensures transparency in activities of foundation. Also we can receive regular feedback from our beneficiaries and general public for better service delivery.

2. Around 5000 cooked food packets, fruits and dairy products were distributed to children, women and other marginalised groups at different places to address their nutritional and healthy food needs. Fresh food packets around 200 were cooked and distributed on daily basis in different areas by some dedicated volunteers. Some highlights of such activities in pictures below.

3. Water purifier and cooler of Voltas brand was distributed to Jamia Niswan girls School in sheikhpura district of Bihar for assuring accessible purified germ free water to girls studying there. Pertinent to mention it is an girls exclusive school. Pics as proof below.
